ELDAK and BORSOTA

invite you to
Valley City, No. Dak.

JANUARY 6, 1962

for the

Eldak - Borsota "CELEBRATION SALE"

FEATURING the get and service of SHIRGARTON RANGER, the \$20,000 son of Beaufort Caution that was second in class at the 1959 Perth sale where he was purchased by Gilbert Elken, Jr. He was grand champion at the 1960 Kansas City American Royal and was the best two-year-old and reserve senior champion at the 1960 Chicago International. A great show bull in his own right he is now a greater breeding bull. This is your first opportunity to select from the tops of his first calf crop and acquire some of this All-American favorite's popular and potent blood.

Eldak Farm's Best Ten Head at the 1961 American Royal. Note the uniformity of these thick, full-quartered cattle . . . eight are by Shirgarton Ranger.

Undeclared Get of Sire of 1961 including the Kansas City American Royal. L to R: Eldak Red Ranger, Eldak Randolph, Missie of Eldak 72d and Princess Royal of Eldak 20th.

WELCOME...

We are pleased and proud to bring you this offering in our first sale. Equally we are pleased with the group Art Borstad has, and we are honored to have him as a guest consignor. Our plan is to make this sale an annual event. The cattle that will be offered will speak for themselves as they have done so successfully at all the major shows this summer and fall.

We are very fortunate to own SHIRGARTON RANGER and to be able to use him on the great cow herd of Gilbert Elken, Jr. Ranger is a "bellringer." His calves carry the same stamp and most of our offering is centered around Ranger.

Plan to be with us on January 6 for the first sale of the year. Our cattle are the kind that will start the industry off on the right foot for the New Year. In case you are worried about storms or cold, North Dakota was the "banana-belt" of the continent last January. Predictions are for above normal conditions this year. Come to the "Winter Wonderland" for the first Shorthorn Sale of 1962. We will be most honored. We hope it will be a good year for all.

The Eldak Clan

Eldak's Herdsman says . . .

I believe that you will find, as I have by close contact, that the Ranger calves are the greatest group to see, and later to fit. Their natural fleshing ability, thickness, over-all quality and breed character were stamped there by the bull of the year, "Shirgarton Ranger." These are the kind of cattle that can come on under natural farm conditions with nothing special or extra. I am proud to be a part of this firm.

Gerald Beard

IT'S TODAY'S RECORD THAT COUNTS

ELDAK'S 5-STAR SYSTEM — Size — Substance — Soundness — Smoothness — Style

Eldak's Junior Get of Sire, undefeated so far in 1961 including first at the American Royal. L to R: Eldak Red Ranger, Eldak Randolph and Missie of Eldak 72nd.

Eldak's Group of Three Bulls, second in class at the American Royal. L to R: Eldak Randolph, Eldak Red Ranger and Eldak Roan Ranger.

FROM THE SALE MANAGER

I have a feeling that many people, even those who have never seen SHIRGARTON RANGER, but have read about him, his great show record and now the great record of his first calf crop that Eldak Shorthorn Farms have been showing this year, will certainly have the desire to attend Eldak's Big "Celebration Sale" on January 6, 1962. My suggestion is that you obey that impulse. There are several reasons for my making this suggestion.

First, how many bulls can go out and win one year, such as Shirgarton Ranger did in 1960 when he was grand champion bull of the American Royal, and then twelve months later send his first calf crop back and have them win a total of nine blue ribbons, just one less than all the other exhibitors were able to win?

I spent the 31st day of October with Tup Elken, Truman Kingsley and A. O. Borstad, three gentlemen, all for whom I have a very high regard. They, of course, are the joint owners of the \$20,000 Shirgarton Ranger, and it looks like they have a gilt edged investment.

Outside of the show cattle that are selling (and they have not been overly fitted) the rest of the offering will sell in just strong breeding condition, fitted on silage and hay.

I believe I can honestly assure prospective buyers that the cattle they will buy are producing cattle. All females have been pregnancy examined, and everything carries health charts that will get them into any state or province.

One more thing — these cattle have the right background. Over 30 years ago Gilbert Elken, Jr., started the foundation for the present Eldak and Borsota Shorthorn herds. He has always been a student of pedigree, and he has a keen eye for individuality. He personally selected Shirgarton Ranger at Perth where he was second in class. Ranger is by the 1956 Perth 1st prize winner, Beaufort Caution. He in turn was by the 1954 Perth champion Burnton Bankbook. The dam of Shirgarton Ranger, Shirgarton Rosemary, I am told, has been one of the top cows in the Shirgarton herd. She is by Crieffvechter Fortune, a top bull at Perth that went to the Argentine.

There's no mistake then about the background of this offering. Valley City is easily reached and this can be a trip worthwhile for you. For reservations, additional information, or extra copies of this catalog, write:

Regarding the health of this herd . . .

I have worked with this herd for the past three years and during this time I have seen no symptoms of any serious or communicable disease.

This herd is T. B. accredited and in the process of being a brucellosis certified herd.

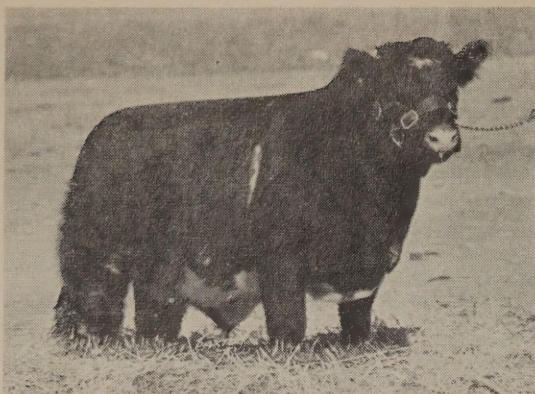

All of the females are officially brucellosis vaccinated.

You can buy these cattle with the confidence that they are healthy and productive because of correct management practices.

ELDAK RESEARCH — We are sorry we don't have a picture of this calf as his first time out will be at the International. His mother, at 15 years of age, is without exception the best producing cow we've had down through the years. Dryn timer Royal Oak was a grand bull and an even greater breeding bull. Naemoor Immaculate is considered one of the great improvers of Shorthorns. This bull should prove well worth investing in.

ELDAK RANDOLF — This is the calf that is always the most popular in our string and he pleases real cattlemen the most. His mother is a very good 1,400-lb. daughter of Millhills Fantasy. This bull certainly is bred and looks the part of a real stock bull. If you need size, ruggedness, thickness and rear quarter, look this scamp over.

ELDAK ROAN RANGER — Should prove a real breeding bull as his maternal brother sired our winning heifer at Chicago last year that sold to Brookwood Farms in New York. This is the first calf we brought in by Ranger. These Rangers do so well on so little we gave him too much milk and he got off feed for awhile, but is turning out 100%. We recommend this bull highly.

ELDAK RAVEN is about as gay colored as you'll find, but he should prove to be a tremendous steer sire. He is out of a very broody daughter of Fantasy that is white and comes from a long line of light colors. He stood 2nd in class to Eldak Red Ranger, the reserve junior champion at the American Royal.

Left: **ELDAK CAMPEON MAX**, \$6,000 interbreed champion, is sire of the dam of Lot 5, Eldak Resolution.

Left: **MISSIE OF ELDAK 53d**, many times champion. We refused \$1,500 for her at one year of age. She is the dam of Celebrity, Lot 7, and Missie of Eldak 72d, Lot 21.

ELDAK CELEBRITY — We named him "Celebrity" because he'll be a "Celebrity" at our Celebration Sale. He is the best bull calf sired by the 1961 Edmonton International champion bull and is out of Missie of Eldak 53d, dam of Missie of Eldak 22d, our American Royal champion female and undefeated sweetheart of the year. Anyone looking for a top young sire prospect, will get a real bargain in this youngster that is much too young to be selling. We are selling him only to prove the ability of his dam and family.

ELDAK ROSEWOOD RADIANCE was Royal Gambler's first calf at Eldak. She is shown here winning the interbreed female championship at the 1961 Valley City Winter Fair. She is from the same dam as Lot 8. She is shown with Ken Burchill, M. L. Buchanan, Linda Anderson, Tup Elken and Truman Kingsley, left to right.

ELDAK RESOLUTION lost his switch so we have never shown him . . . he'd have done well. His dam is by the \$6,000 Eldak Campeon Max. 1953 cover bull that did a great job for North Dakota State College and Ekness Bros. Blending "Ranger" and "Camp" just has to result in good offspring.

Lot 6 Bull ELDAK RIVAL 3089-765

ELDAK RIVAL is out of the great grandmother of Missie of Eldak 72d, so you can put a lot of faith in this rascal for quality and longevity. Missie of Eldak 21st is a full sister to the first Shorthorn interbreed champion female at the 1947 North Dakota Winter Show. Femco Farms started their herd on another full sister at \$1,100, bought at a Jamestown sale. The other full sister sold for \$1,400 at a Sioux Empire sale, and her first calf was an International 1st prize winner.

ELDAK RESCUE is from the same dam as Eldak Rosewood Radiance, Supreme Champion of the 1961 North Dakota Winter Show, reserve grand champion at the 1961 American Royal, and undefeated senior yearling of 1961. The grandmother, imported in 1947, came over with the Perth champion female. Rosewood of Eldak 22d was a twin heifer.

ELDAK CRUSADER MEDALLION — Check this pedigree carefully. Not often is the great Chapelton Crusader on the same pedigree with such greats as "Bankbook" and "Prefect." Many great bulls are in this lineup. Eldak Crusader Medallion was reserve grand champion at the 1961 Minnesota State Fair. His dam is an imported heifer that was mis-sent to David Graham where she was mated to the 1958 Congress reserve champion, the \$5,000 Scotsdale Medallion.

Left: ROYAL GAMBLER, 1958 American Royal reserve champion, purchased at \$2,150 in the Collier Dispersion . . . described by many as "the beefiest bull on four legs." His first calf was Eldak Rosewood Radiance, pictured on page 5. He is now owned by Fred Johnson, Elm Creek, Neb., where he should write Polled Shorthorn history. Four sons and two daughters sell in this sale.

Two are out of full sisters, the third is from a daughter to another full sister, all from our great Duchess of Gloster family. The fourth is out of Missie of Eldak 33d, by Millhills Fantasy, granddam of Missie of Eldak 72d, our pride and joy. We feel that Eldak Royal Gambler 4th and 5th are about as correct as any bulls that we have.

HALLWOOD CARNATION 16th was the top female in the 1954 Denver sale for J. A. Collier where she was purchased by R. H. Heckendorf. Her first calf was the bull, Gambler's Baron, that has made a terrific record siring show steers in Nebraska. A full sister to her dam was purchased by Acadia Farms and has bred exceptionally well for them. Here is one of the most prolific J. A. Collier families. Leader's Carnation 3d was the dam of the 1956 American Royal reserve grand champion female and of the two top heifers in the 1957 Collier Sale. Another daughter topped the Collier Dispersion in 1958 at \$1,550 going to the K. S. Adams Ranch, Foraker, Okla. BRED TO SHIRGARTON RANGER.

There are eight 1961 heifer calves suitable for 4-H and FFA projects for 1962, selling in this sale. If junior club boys and girls buy them they can be returned to Eldak or Borsota for breeding service at no extra cost.

Owned in partnership by Eldak Shorthorn Farms, Wheatland, N. D., and Borsota Shorthorns, Waubun, Minn., Shirgarton Ranger, second in class at the 1959 Perth Sale, is shown here with his present owners, A. O. Borstad, Truman Kingsley, and G. L. "Tup" Elken.

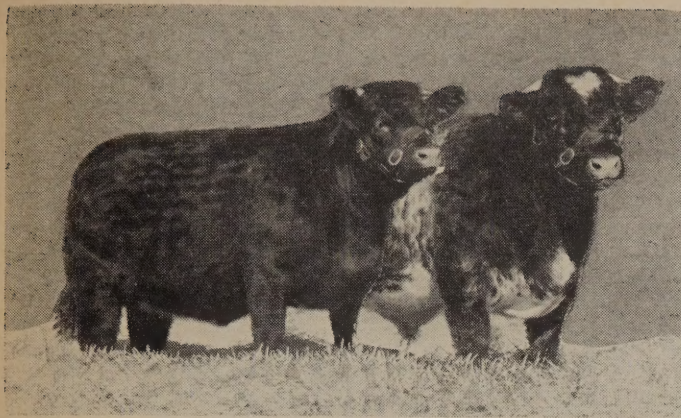

What The Shorthorn World wrote about Ranger's sons and daughters:

"Last year, Eldak won the bull championship with Shirgarton Ranger, a bull owned in partnership with A. O. Borstad, Borsota Farm, Waubun, Minn. This year the sons and daughters of this champion were the big winners accounting for 11 of the Eldak blue ribbons including both get of sire classes and five other group wins.

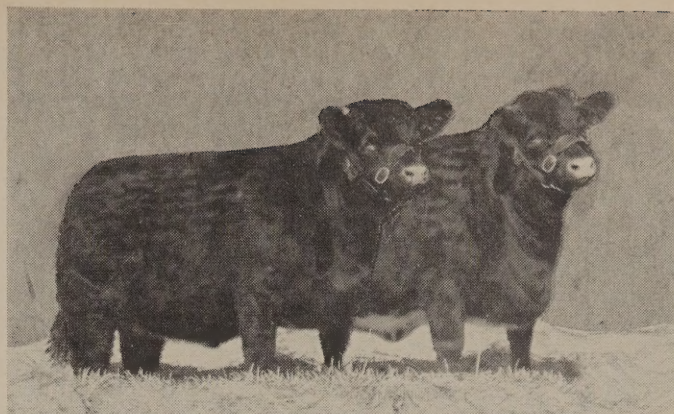

"A major placing went to Eldak when Missie of Eldak 72nd by Shirgarton Ranger, remained on top and was later declared junior and reserve grand champion female. This female was really in her wedding dress and few could have disputed the award. She was good headed, straight in her lines, lots of thickness and stood on good legs.

"Needless to say the Shirgarton Ranger progeny made a big impression on the show onlookers as they are uniformly good from the end of their noses to the switch of their tails."
